Improvements Include:

- **Four-lane curbed roadway**
- **Bridge over the Pantano Wash**
- **Bicycle and pedestrian facilities connecting to Udall Park from the Pantano River Park**
- **Traffic signal at the Sabino Canyon Road extension and the west entrance to Udall Park**
- **Traffic signal at the new connection of Sabino Canyon Road and Kolb Road**
- **Drainage improvements**
- **Native landscaping**
- **Public art**

The City of Tucson Department of Transportation (TDOT) and the Regional Transportation Authority (RTA) invite you to attend a preconstruction open house for the voter-approved RTA plan to connect Sabino Canyon Road with Kolb Road. The purpose of the meeting is to introduce the contractor and to provide information and answer questions regarding the project's construction. Construction is anticipated to begin in December and last approximately 12 months. This project is part of the \$2.1 billion, 20-year RTA plan that was approved by voters in May 2006.

The improvements include a four-lane roadway with bike lanes and sidewalks extending Sabino Canyon Road south from its intersection with Tanque Verde Road to connect with Kolb Road approximately one-third mile north of Speedway Boulevard.
